The Port's fully-accessible offices are in the west end of Pier 1. There are two public entrances: the main entrance on the west (Embarcadero), and the Port History walk entrance on the south apron. Each of these entrances is provided with an automatically operated door. Both entrances lead to the Bayside Conference Rooms. Accessible public restrooms, drinking fountains, payphone and TTY are on the first floor near the main entrance. The public spaces of the Port's offices are equipped with remote infrared signage (Talking Signs) identifying all primary entrances, paths of travel, meeting rooms and amenities. Accessible seating areas and assistive listening devices will be available in the Bayside Conference Rooms.

The closest accessible BART and MUNI Metro station is Embarcadero located at Market & Spear Streets. Accessible MUNI lines serving the Ferry Building area are the F-Line, 9, 31, 32 and 71. For more information about MUNI accessible services, call (415) 923-6142.
