

MEMORANDUM

February 24, 2023

To: MEMBERS, PORT COMMISSION
Hon. Kimberly Brandon, President
Hon. Willie Adams, Vice President
Hon. Gail Gilman
Hon. Steven Lee

FROM: Elaine Forbes
Executive Director

SUBJECT: Request authorization to award three contracts to (1) AEW Engineering (2) SCA Environmental and (3) CDIM Engineering for As-needed Environmental and Planning Services, each contract in an amount not to exceed \$2,500,000 and to create a pre-qualified pool.

DIRECTOR'S RECOMMENDATION: Approve Attached Resolution No. 23-12

EXECUTIVE SUMMARY

Pursuant to Port Commission authorization (Resolution 22-44), Port staff issued a Request for Qualifications for As-Needed Environmental and related Professional Services. Five proposals were submitted by firms in response to the RFQ. One firm was found non-responsive for failing to meet Minimum Qualifications. Four firms were responsive and met the eligibility requirements of the Contract Monitoring Division ("CMD") for the Local Business Enterprise ("LBE") Ordinance. A selection panel evaluated and scored the written proposals and held oral interviews. CMD monitored the selection process.

Port staff now seeks Port Commission authorization to award contracts for As-Needed Environmental and Planning Services to the three highest-scoring firms: (1) AEW Engineering (2) SCA Environmental and 3) CDIM Engineering. Staff recommends the award of each contract in the not-to-exceed amount of \$2,500,000, with a maximum term of five years (four years with the option to extend one extra year at the Port's discretion).

In addition to awarding three as-needed contracts, Port staff seek Port Commission authorization to create a ranked prequalified pool, consisting of all qualified firms, that can be used for a period of two years. Contracts issued to contractors in this pool will have a duration of no longer than two years. Port staff will follow solicitation requirements for award of additional contracts to firms in the pre-qualified pool, including seeking Port Commission approval for contracts from the pool with a value greater than \$200,000.

STRATEGIC PLAN OBJECTIVE

The contract opportunity will support the goals of the Port's Strategic Plan as follows:

Sustainability:

By enabling access to a broad range of environmental expertise, the proposed contracts will support Port's goal to advance environmental stewardship to limit climate change and protect the Bay.

Equity:

By increasing the proportion of funds spent by the Port with local businesses competing for Port contracts by engaging teams that support the diversity of the City; and by requesting a copy of the proposing firm's Diversity, Equity and Inclusion plan.

Productivity:

By enabling implementation of \$27.5 million of funded capital projects and other projects that will maintain cargo volume and expand maritime terminal capacity, ensuring compliance with environmental approvals of the Pier 70 and Mission Rock development projects, and managing the waterfront and advancing environmentally and financially sustainable maritime, recreational, and economic opportunities to serve the City, the Bay Area region, and California.

BACKGROUND

In Fiscal Year 2019-2020, the Port entered into three (3) agreements for as-needed environmental and related professional services pursuant to Port Commission approvals. The three as-needed agreements included a maximum dollar value of \$2,000,000 each. All three agreements had an initial term of four years. The three prime contractors under the three contracts are 1) SCA Environmental; 2) ESA-CDIM Joint Venture; and 3) AEW Engineering. Each of the teams also include a number of subconsultants in a variety of professional disciplines.

The LBE subconsulting requirement for the 2019 contract series is 12%. All current contracts are exceeding the 12% LBE subconsulting requirement, as shown in Table 1 below.

Table 1: LBE Participation in the Current Contracts

2019 Contract Holder	LBE Status	Contract No.	LBE Prime Participation on Total Invoiced Amount	LBE Subconsultant Participation on Total Invoiced Amount	Total LBE Participation (Excluding CDIM)
AEW Engineering	LBE-MBE	1000016380	21.93%	18.01%	39.94%
ESA-CDIM JV	LBE-OBE Partner	1000016523	JV Partner Participation not available in FSP	12.61%	12.61%
SCA Environmental	LBE-WBE	1000016524	17%	43.86%	60.86%

SCOPE OF WORK

The exact scope of work for consultant assistance during the next four to five years is not fully known, but staff anticipates the needs for support in the below categories of work.

MAJOR CATEGORIES OF WORK

- Site Assessment, Investigation, and Characterization
- Environmental Engineering
- Environmental Planning & Compliance
- Storm Water Management
- Industrial Hygiene Services
- Biological Assessment and Monitoring, including Habitat Monitoring

MINOR CATEGORIES OF WORK

- Climate Change Planning
- Environmental Information Management Services/GIS
- Hazardous Materials & Solid Waste Management
- Green Building Design Services
- Surveys and reports required by CEQA & NEPA including historic preservation requirements

TERTIARY CATEGORIES OF WORK

- Site and Master Planning
- Urban Design and Architecture
- Transportation Planning and Analysis
- Safety Qualification Review

CONTRACT ADVERTISEMENT AND OUTREACH

On October 5, 2022, the Port published the RFQ for As Needed Environmental and Planning Services, Event ID 0000007501. The outreach list for this opportunity included 193 contacts with potential respondents, subconsultants, chambers of commerce and other professional organizations. The Port held a pre-submittal conference on October 12, 2022 over ZOOM with over 50 participants. The Port responded to 13 questions.

SELECTION PROCESS

Submittals were due on November 15, 2022 and the Port received five responses to the RFQ in advance of the submittal deadline. The following seven consultant teams responded to the RFQ:

1. AEW Engineering (Micro LBE-MBE)
2. SCA Environmental (Micro LBE-WBE)
3. CDIM Engineering (Micro LBE-OBE)
4. Hazen and Sawyer (Non-LBE) and Avila & Associates Consulting Engineers (Small LBE-WBE)
5. Albion Partners (Micro LBE-OBE)

Albion Partners was deemed non-responsive for not meeting minimum qualifications. Four proposals were deemed responsive to the requirements of both Chapter 6 and the Chapter 14B.

Selection Panel

The Port convened a four-member evaluation panel. The panel met on December 5 for orientation, on December 21 to confer and submit scores for the written proposals, and on January 11 for oral interviews. The four members of the panel have education and professional experience with environmental management and all panel members had experience with public sector public works projects. Two individuals are from the Port, one is from San Francisco Public Works, and one is from the San Francisco Public Utilities Commission. The Port's CMD Compliance Officer approved the panel composition and attended all selection panel meetings.

Evaluation Criteria

The selection panel evaluated and scored the written proposals based upon the following criteria:

35 points	– Proposer Experience and Qualifications
1 point	– Submittal of a Diversity Equity and Inclusion Plan
25 points	– Sub-Consultant Firm Qualifications
24 points	– Team Personnel Experience and Availability Table
<u>15 points</u>	<u>– Breadth of Services Provided by Proposing Team</u>
100 points	Total

The RFQ required a respondent to score 75 points or more on the written proposal to be invited to attend the oral interview and qualify for the prequalified pool.

On January 11, 2023, the evaluation panel conducted oral interviews, evaluated and scored each candidate firm based on a presentation and three questions. Three of the questions were provided 48-hours prior to the interview and one interview question was asked in the interview.

The City Administrative Code Chapter 14B, the LBE and Non-Discrimination in Contracting Ordinance, establishes rating bonuses for LBE firms and LBE joint venture partnerships.

The complete rankings for firms advanced for the oral interview are shown in Table 2.

Table 2. Responses Scored for Written Proposal and Oral Interview

Proposer	LBE Rating Bonus Received	Written Proposal Score	Oral Interview	Final Total Score	Final Rank	Ethnicity ¹
AEW Engineering	10%	104.225	29.975	134.200	1	Asian American
CDIM Engineering	10%	102.850	29.425	132.275	2	Not listed
SCA Environmental	10%	103.125	29.150	132.275	2	Not listed
Hazen and Sawyer and Avila & Associates JV	7.5%	94.600	25.800	120.400	4	Not listed

SELECTED CONSULTANTS FOR CONTRACTS

Based on total scores, Port staff recommends awarding the As-Needed Engineering contracts to the top three ranking proposals. Each firm has proposed a team that meets or exceeds the 15% LBE requirement of the contracts.

AEW Engineering

AEW Engineering, Inc. (AEW) is a San Francisco-based Micro Local Business Enterprise/Minority Business Enterprise (micro LBE/MBE). AEW has been in business for over 20 years providing environmental consulting services on over 850 projects in the city of San Francisco and the Bay Area. The team intends to exceed the LBE requirement with a 16% commitment to six LBE subcontractors (LBEs). This team also includes nine non-LBEs.

SCA Environmental, Inc.

SCA Environmental, Inc. (SCA) is a San Francisco-based Micro Local Business Enterprise/Woman Business Enterprise (micro LBE-WBE). SCA was formed in 1992 and is a multi-disciplinary environmental consulting firm offering services in the fields of hazardous materials management, geo-environmental investigation and remediation, industrial hygiene services, asbestos and lead management, and environmental engineering. SCA's Principals and Senior Managers have designed, implemented and managed over 10,000 projects in the San Francisco Bay Area. The team intends to meet the 15% LBE subconsulting requirement with 12 LBEs. There are also 16 non-LBEs.

CDIM Engineering, Inc.

CDIM Engineering, Inc (CDIM) is a San Francisco-based Micro Local Business Enterprise/Other Business Enterprise (micro LBE-OBE). CDIM was formed in 2016 and has grown with the Port. CDIM first performed services as an LBE subconsultant, then as a Joint Venture Partner, and has now won award as a solo Prime consultant. The team intends to exceed the LBE subconsulting requirement with a 24% participation commitment to 12 LBEs. There are also 12 non-LBEs.

¹ This information is for informational and data collection purposes only and may not be considered by the Port Commission when considering the approval or disapproval of any contract award. See Attachment 1, CMD Award memo

SELECTED CONSULTANTS FOR PREQUALIFIED POOL

The RFQ specified that all responsive firms that score seventy-five points or more will be entered in the prequalified pools. The three firms that have been selected for contract award will be entered into the prequalified pool and the one additional team includes:

Hazen and Sawyer and Avila & Associates JV

Hazen and Sawyer (non-LBE) has been in business for over 72 years and is a nationally recognized full-service environmental and engineering firm focused solely on water projects. Avila & Associates (Small LBE-WBE) has over 20 years of experience offering a multi-disciplined team of 26 civil engineers, environmental scientists, GIS specialists, and construction managers.

FUNDING

Funding for these proposed contract services will be allocated on an annual basis through the Port's programmatic project budget.

SCHEDULE

The planned contracting schedule is shown below:

<u>Activity</u>	<u>Target Date</u>
Port Commission Authorization to Award Contracts	February 2022
Contract Execution	March 2022
Contract Completion	Spring 2027

RECOMMENDATION

Port staff requests authorization to award three (1) AEW Engineering (2) SCA Environmental and (3) CDIM Engineering for As-needed Environmental and Planning Services, each contact in an amount not to exceed \$2,500,000 and to create a pre-qualified pool.

Prepared by: Alysabeth Alexander-Tut,

A: CMD Award Memo

**PORT COMMISSION
CITY AND COUNTY OF SAN FRANCISCO**

RESOLUTION NO. 23-12

- WHEREAS, In 2019, the Port issued a Request for Qualifications (“RFQ”) for “As-Needed Environmental and Planning Services” to select consultants to provide comprehensive to support the Port in its facilities development, leasing and maintenance, parks and open spaces, and habitat protection; and
- WHEREAS, The Port’s current set of as-needed Environmental and Planning Services contracts executed pursuant to the RFQ have provided a timely and cost-effective vehicle for provision of professional services; and
- WHEREAS, At its meeting on September 13, 2022 through Resolution 22-44, the Port Commission authorized staff to issue a RFQ to solicit and select up to three entities to provide as-needed environmental and planning services each contract with a not-to-exceed value of two and a half million dollars (\$2,500,000) for a total combined not-to-exceed value total of seven and a half dollars (\$7,500,000); and
- WHEREAS, Resolution 22-44 authorized staff to create a pre-qualified pool of qualified respondents for future solicitations and contract award; and
- WHEREAS, The Port Director has authority under Chapter 6 to award contacts at or below the minimum competitive amount, currently \$200,000;
- WHEREAS, Port staff advertised the RFQ on October 5, 2022 and received five proposals on November 15, 2022; and
- WHEREAS, Port staff convened an evaluation panel to evaluate and score the proposals and hold oral interviews; and
- WHEREAS, Port staff selected the three highest responsive scored proposals for contract award; and
- WHEREAS, Port staff selected all four qualified proposals for placement on the pre-qualified list; and
- RESOLVED, That the Port Commission authorizes Port staff to award and negotiate up to three professional services contracts per Event ID: 0000007501, As-Needed Environmental and Planning Services, for the services described in the accompanying staff report and RFQ to (1) AEW Engineering (2) CDIM Engineering, Inc 3) SCA Environmental, each in an amount not to exceed \$2,500,000, each

with a contract term of four years and option to extend the term for one additional year, and with a total combined amount for immediate contract awards not to exceed \$7,500,000; and

RESOLVED, That the Port Commission authorizes Port to create a prequalified pool from Event ID 0000007501 As-Needed Environmental and Planning Services for the following qualified firms in the below ranking (1) AEW Engineering, (2) CDIM Engineering (3) SCA Environmental, and (4) Hazen and Sawyer and Avila & Associates Joint Venture; and

RESOLVED That the Port Commission authorizes Port staff to advertise additional contracts from the pre-qualified pool. Additional contracts from the prequalified pool that are at or below the minimum competitive amount stated in Chapter 6, currently at \$200,000 shall be awarded by the Port Director. Contracts above the minimum competitive amount shall be awarded by the Port Commission.

I hereby certify that the foregoing resolution was adopted by the Port Commission at its meeting of February 28, 2023.

Secretary

MEMORANDUM

Date: February 6, 2023
 To: Alysabeth Alexander-Tut, Contracts and Procurement Manager, SF Port
 From: Melinda Kanios, Contract Monitoring Division
 Subject: 0000007501 As Needed Environmental & Planning Services Pre-Award Memo

The Contract Monitoring Division (“CMD”) has reviewed the proposals and supporting documents submitted for the above referenced RFP and applied the appropriate rating bonuses. CMD has determined that the proposals submitted were materially compliant with Chapter 14B pre-award requirements. Albion Partners’ proposal did not meet the SF Port’s minimum qualifications, therefore has not qualified to proceed in the selection process and is not reviewed here.

Rating Bonus

AEW Engineering is eligible for a 10% rating bonus.

LBE Proposer	Scope of Work	LBE Status	Percent LBE
AEW Engineering	Hazardous Waste and Remediation Services; Environmental Advisory Services; Hazardous Substance Removal Certification; General Engineering Contracting	SF LBE – MBE	100%

Hazen and Sawyer and Avila & Associates Joint Venture (“Hazen/Avila JV”) is eligible for a 7.5% rating bonus.

Joint Venture Partner	Scope of Work	LBE Status	Percent LBE	JV Split
Avila & Associates Consulting Engineers	Environmental Engineering; Environmental Planning & Compliance; Storm Water Management; Biological Assessment and Monitoring, Including Habitat Monitoring; Environmental Information Management Services / GIS; Surveys and Reports Required by CEQA & NEPA	SF LBE – WBE	100%	45.42%

Hazen and Sawyer	Site Assessment, Investigation, and Characterization; Environmental Engineering; Environmental Planning & Compliance; Storm Water Management; Biological Assessment and Monitoring, Including Habitat Monitoring; Climate Change Planning; Environmental Information Management Services/GIS; Green Building Design Services; Surveys and Reports Required by CEQA & NEPA; Urban Design and Architecture; Safety Qualification Review	Not LBE	0%	55.58%
------------------	---	---------	----	--------

CDIM Engineering is eligible for a 10% rating bonus.

LBE Proposer	Scope of Work	LBE Status	Percent LBE
CDIM Engineering	Project Manager, Environmental Engineering, Site Assessment, Hazardous Waste Management, Civil Engineering	SF LBE – OBE	100%

SCA Environmental is eligible for a 10% rating bonus.

LBE Proposer	Scope of Work	LBE Status	Percent LBE
SCA Environmental	Environmental Advisory	SF LBE – WBE	100%

Score Sheets and Score Tabulations

For all compliant proposers, CMD has reviewed all score sheets submitted by the technical panelists, the fee schedules, and score tabulations submitted from SF Port.

The Request for Qualifications indicates that up to three proposers will be eligible for an award of an As-Needed contract and all four proposers will also be placed in a pre-qualified pool. The SF Port has confirmed that AEW Engineering, SCA Environmental, and CDIM Engineering are eligible for award and all four proposers including, Hazen/Avila JV, will be placed in a pre-qualified pool.

LBE Subcontracting Participation

A LBE subcontracting participation requirement of **15%** was established for this project.

AEW Engineering demonstrated its commitment to the LBE subcontracting requirement by listing the following LBE firms:

LBE subconsultant	Scope of Work	LBE Status	Percent LBE	Percent of Work
Boudreau Associates	Environmental Advisory Services	WBE-Micro	100%	3.00%
Coast Ridge Ecology	Habitat Environmental Services, Environmental Advisory Services, EIR	OBE-Micro	100%	2.00%
M Lee Corporation	Value/Quality Engineering, Database Development & Analysis	MBE-Micro	100%	3.50%
Natalie Macris	EIR, Technical & Misc Writing/Editing Services	WBE-Micro	100%	3.00%
SCA Environmental	Environmental Advisory Services	WBE-Small	100%	3.50%
Telamon Consulting Engineers	Surveying, Environmental Advisory Services	WBE-Small	100%	1.00%
Total				16.00%

AEW Engineering also listed the following non-LBE subconsultants:

Non-LBE Subconsultant	Scope of Work	% of Work
Anchor QEA	Site Assessment, Investigation, And Characterization; Environmental Engineering; Environmental Planning and Compliance	3.00%
Environmental Science Associates	Environmental Services, Environmental Engineering/Planning	3.00%
eTrac	Topographic And Hydrographic Surveys	3.00%
Hydroconsult Engineers	Water Resources and Civil Engineering, Environmental Advisory Services, EIR	1.00%
Integral Consulting	Biological Assessment and Monitoring, Environment Information Management Services/GIS	4.00%
Mott MacDonald Group	Environmental Engineering/Planning, Permitting and Planning, And Compliance, Stormwater Management; Biological Assessment and Monitoring; Climate Change Planning; Hazardous Materials Mitigation and/or Remediation Measures	4.00%
New Fields	Sediment Characterization and Remediation	4.00%
Pacific EcoRisk	Site Assessment, Investigation, And Characterization; (Aquatic Toxicology, Field Sampling, Dredge Materials Assessment)	2.00%
Stantec Consulting Services	Industrial Hygiene, Environmental Compliance, Stormwater Plans, Surveying	3.00%

TRC Solutions	Site Assessment, Environmental Engineering, Stormwater Management, Industrial Hygiene Services, Hazardous Materials Management, Green Building Services	2.00%
Total		29.00%

Hazen/Avila JV demonstrated its commitment to the LBE subcontracting requirement by listing the following LBE firms:

LBE subconsultant	Scope of Work	LBE Status	Percent LBE	Percent of Work
AGS	Site Assessment, Investigation and Characterization; Hazardous Materials & Solid Waste Management	MBE-Micro	100%	8.00%
CDIM Engineering	Site Assessment, Investigation, And Characterization; Environmental Planning and Compliance; Environmental Information Management Services/GIS	OBE-Micro	100%	3.50%
Coord LLC	Climate Change Planning	WBE-Micro	100%	1.00%
Dabri	Environmental Engineering: Waterfront Engineering Design and Construction Task Lead	WBE-Small	100%	0.50%
Lee Incorporated		WBE-Micro	100%	6.00%
Meridian Survey	Site Assessment, Investigation and Characterization	OBE-Micro	100%	1.50%
Merrill Morris Partners	Stormwater Management, Urban Design and Architecture	WBE-Micro	100%	1.25%
SCA Environmental	Industrial Hygiene Services: Hazardous Materials Abatement	WBE-Micro	100%	3.00%
Sertior	Surveys And Reports Required by CEQA & NEPA	WBE-Micro	100%	0.50%
Total				25.25%

Hazen/Avila JV also listed the following non-LBE subconsultants:

Non-LBE Subconsultant	Scope of Work	% of Work
Archeo-Tec	Surveys and Reports required by CEQA & NEPA	0.50%
DRS Marine Services	Site Assessment, Investigation, and Characterization	1.00%
Kleinfelder	Environmental Planning & Compliance; Industrial Hygiene Services; Biological Assessment and Monitoring, Including Habitat Monitoring	3.50%
Moffat & Nichol	Environmental Engineering	1.00%
Sam Schwartz	Site and Master Planning; Transportation Planning and Analysis	1.00%
Stevens + Associates	Green Building and Design Services	3.00%
Yorke Engineering	Site Assessment Investigation and Characterization; Environmental Planning and Compliance	1.50%
	Total	11.50%

CDIM Engineering demonstrated its commitment to the LBE subcontracting requirement by listing the following LBE firms:

LBE subconsultant	Scope of Work	LBE Status	Percent LBE	Percent of Work
Acta Environmental	Environmental Permitting and Compliance	WBE-Micro	100%	2.00%
Acumen Industrial Hygiene	Industrial Hygiene	MBE-Micro	100%	2.00%
AGS	Environmental Engineering	MBE-Micro	100%	2.00%
Coast Ridge Ecology	Biological Assessment and Monitoring	OBE-Micro	100%	4.00%
Farallon Graphics	GIS Database	OBE-Micro	100%	2.00%
Hollins Consulting	CM	MBE-Micro	100%	2.00%
Joe Hill Consulting & Engineering	Regulatory compliance and stormwater management	OBE-Micro	100%	2.00%
Sustainable Watershed Design dba Lotus Water	Water Resources Engineering	OBE-Micro	100%	2.00%

M Lee Corporation	CM- Cost Estimating	OBE-Micro	100%	2.00%
Telamon Engineering Consultation	Land Surveying	WBE-Micro	100%	3.00%
AR Green Consulting	Energy Efficiency Services	WBE-Micro	100%	1.00%
Total				24.00%

CDIM Engineering also listed the following non-LBE subconsultants:

Non-LBE Subconsultant	Scope of Work	% of Work
Environmental Sciences Associates	Environmental Engineering, Environmental Planning and Compliance Stormwater Management	10.00%
Northgate Environmental Management	Environmental Site Investigation	2.00%
Integral Consulting	Environmental Engineering	2.00%
Ramboll US Consulting	Site Assessment, Environmental Compliance	1.00%
Anchor QEA	Environmental Planning and Compliance	1.00%
Chemquants	Site Assessment	1.00%
eTrac	Surveying - Water	1.00%
Foth & Van Dyke and Associates	Environmental Permitting	1.00%
Mott MacDonald Group	Stormwater Management	1.00%
Pacific EcoRisk	Site Assessment and Investigation	1.00%
Terracon Consultants	Industrial Hygiene Services	1.00%
ToxStrategies	Risk Assessment	1.00%
Total		23.00%

SCA Environmental demonstrated its commitment to the LBE subcontracting requirement by listing the following LBE firms:

LBE subconsultant	Scope of Work	LBE Status	Percent LBE	Percent of Work
AEW Engineering	Environmental Advisory, General Engineering, Hazardous Waste	MBE-Micro	100%	1.00%
Analytical Labs San Francisco	Environmental Advisory Services	OBE-Micro	100%	4.00%

Arborists Now	Landscape Services	OBE-Micro	100%	1.00%
BioMaAs	Environmental Advisory Services, Habitat Environmental Services	MBE-Small	100%	1.00%
Boudreau Associates	Environmental Advisory Services; Planning & Permitting	WBE-Micro	100%	1.00%
CEL Analytical	Laboratory	WBE-Micro	100%	1.00%
Coast Ridge Ecology	Environmental Advisory Services, Habitat Environmental Services, EIR	OBE-Micro	100%	1.00%
Farallon Geographics	Database Development & Analysis, Computer Systems Services, Web Design & Maintenance	OBE-Micro	100%	1.00%
KM 106 Construction	Substance Removal, Contracting, C- 22	MBE-Micro	100%	1.00%
Meridian Surveying Engineering	Surveying	OBE-Micro	100%	1.00%
Sertior	Environmental Advisory Services, EIR, Community Relations	WBE-Micro	100%	1.00%
Sitelab Urban Studio	Regional & Urban Planning, CAD, Community Relations	WBE-Micro	100%	1.00%
Total				15%

SCA Environmental also listed the following non-LBE subconsultants:

Non-LBE Subconsultant	Scope of Work	% of Work
AECOM Engineering	Environmental Consulting Services	3.00%
Asbestos TEM Laboratories	Laboratory Services	1.00%
Baseline Environmental Consulting	Environmental Consulting Services	1.00%
Cascade Drilling	Drilling	1.00%
Eco Bay Services	Site Cleanup, Contracting, Hazardous Waste Services	1.00%
EMSL Analytical	Laboratory Services	1.00%
ETIC	Environmental Consulting Services	6.00%
Farallon Consulting	Environmental Consulting Services	3.00%
Fehr & Peers	Planning & Transportation Consulting	1.00%

Fugro USA Land	Environmental Consulting Services, Engineering Services	5.00%
Larry Walker & Associates	Stormwater Support, Environmental Consulting	2.00%
McCampbell Analytical	Laboratory Services	1.00%
Mott MacDonald Group	Environmental Consulting Services	2.00%
New Fields	Dredging Support	2.00%
Pacific EcoRisk	Dredging Support and Laboratory Services	2.00%
Reservoirs Environmental	Laboratory Services	1.00%
Total		33.00%

Based on the foregoing, CMD has determined that AEW Engineering, SCA Environmental and CDIM Engineering have met CMD’s requirements for an award and all four proposers, including Hazen Sawyer and Avila & Associates Joint Venture, will be placed in the pre-qualified pool for 0000007501 As-Needed Environmental & Planning Services. Should you have any questions, please contact Melinda Kanios at Melinda.Kanios@sfgov.org.

¹ The Port of San Francisco has specifically requested that CMD include in the Award Memo the specific ethnicity of each LBE proposer and the subcontractors of the apparent low-bid, where available. CMD does not require businesses to self-identify the ethnicity of the business owner, but any business may choose to do so. CMD reiterates to the Port and any other agency that ethnicity information in no way factor into the evaluation or award of this or any other contract. CMD recommends against the publication or announcement of the ethnicity information provided below, including but not limited to Commission meetings.
