

Port of San Francisco

Amador Street Pump Station and Roadway Restoration

OVERVIEW

This project will address the aging roadway and pump station infrastructure located on Amador Street. The current pump station and sewer force main is under sized for major storm events causing flooding and the roadway has reached the end of its service life. The roadway will be replaced to meet City standards and the pump station will be upgraded to meet demand.

The construction budget for this project is \$9,600,000.

SCHEDULE

<u>Activity</u>	<u>Target Date*</u>
Commence Contract Advertisement	July 2023
Pre-Bid Conference	July 2023
Due Date	Sept 2023
Notice to Proceed	March 2024
*Subject to change
