

MAP C: RESIDENTIAL AND/OR COMMERCIAL USES

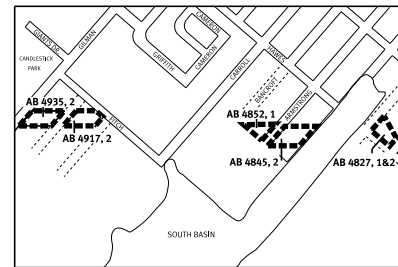

Legend

- Existing (Long-term) Residential or Commercial Use Areas [a]
- Waterfront Mixed Use Opportunity Areas [b]
- Waterfront Plan Project Area Boundary
- SWL** Seawall Lot

Note The maps are illustrative only. Please see the Acceptable Land Use Tables in Chapter 4 for a complete listing of acceptable permanent uses for each Port site.

Notes

- [a] The identified residential or commercial use areas are developed and expected to continue exclusively as residential or commercial use properties in the long-term. This designation does not include areas that may be leased for commercial uses on an interim basis.
- [b] In these areas a mix of uses is allowed, which includes New Residential and/or Commercial Uses as well as Maritime and Open Space (however, Residential Use is prohibited on piers). The combination and proportion of uses in these areas will vary as implementation of the Plan occurs. Refer to Map D and discussion of Waterfront Mixed Use Opportunity Areas in Chapter 4 for specific locations of mixed use areas and further discussion.

Note The parcels shown above are located just north of Candlestick Park. The Port also owns portions of existing or planned streets that are not depicted.
