

Port of San Francisco

Blue Greenway Public Realm Improvements

OVERVIEW

The project will enhance six sites along the Bay Trail within the Port's Southern Waterfront by investing in public improvements adjacent to historically disadvantaged neighborhoods. Improvements include the installation of new and improved landscaping, public art, and site furnishings; and improved pedestrian access. The project is in the early design and scoping phase.

The total budget for this project is \$2M with a minimum LBE subcontracting goal of 20%*
