S-114-2017

Dear Mr. O'Meara:

This is to inform you that your request for a minor boundary modification of Foreign-Trade Zone 3, San Francisco, California, under the alternative site framework (ASF) is approved pursuant to Section 400.38 of the Foreign-Trade Zones Board's regulations.

The request involves establishing a usage-driven site for the sole use of Agility Logistics Corporation. The site is located at 268 Lawrence Avenue, South San Francisco, San Mateo County (.07 acres) and will be designated as Site 8.

This change will not result in an expansion of the scope of authorized zone activity and is consistent with the ASF zone plan approved by the Board in October of 2010. This action does not imply authority for any production activity requiring advance approval by the FTZ Board.

The requested minor boundary modification is approved effective this date subject to an ASF sunset provision that would terminate authority for the site on August 31, 2020 (and again every three years thereafter) if no foreign non-duty paid merchandise is admitted to the site for a *bona fide* customs purpose during the sunset period. Further, if Agility Logistics Corporation vacates the site, the usage-driven designation will automatically self-terminate.

We have enclosed the revised site description for FTZ 3. We ask that you retain the application and approval documents in your zone file and update your zone records in accordance with the FTZ Board regulations (15 CFR Sec. 400.51).

Sincerely,

Andrew McGilvray
Executive Secretary
