MEMORANDUM

Date: February 2, 2018
To: Kenneth Chu, Port of San Francisco
From: Finbarr Jewell, CMD 
Subject: LBE Participation Memo – Pier 94 Backlands Park Improvement Project,
Contract # 2786.

The Contract Monitoring Division (CMD) has evaluated the Engineer's Estimate for the subcontractor opportunities for the above-referenced project, as well as LBE availability data. Based upon this review, the LBE subcontractor requirement for the project is 20%. Only Small and Micro-LBEs certified by CMD can be used to meet the subcontracting requirement.

In addition, the following availability information is required to be conveyed in the bid specifications.

Under Sec. 14B.9 of the San Francisco Administrative Code, bidders are at this moment advised that the availability of Minority Business Enterprise ("MBE"), Women Business Enterprise ("WBE"), and Other Business Enterprises ("OBE") to perform subcontracting work on this project is as follows: 6.7% MBE, 3.5% WBE, and 9.8% OBE.

Bidders are further advised that they may not discriminate in the selection of subcontractors on the basis of race, gender, or other basis prohibited by law, and that they shall undertake all required good faith outreach steps in such a manner as to ensure that neither MBEs nor WBEs nor OBEs are unfairly or arbitrarily excluded from the required outreach.

Should you have any questions, please do not hesitate to contact me at 415 274 0511
