Heron's Head Park Shoreline Resilience Project

Port of San Francisco Southern Advisory Committee January 26, 2022

Presented By: Carol Bach

Environmental Affairs Manager

Erosion is removing valuable habitat from Herons' Head Park

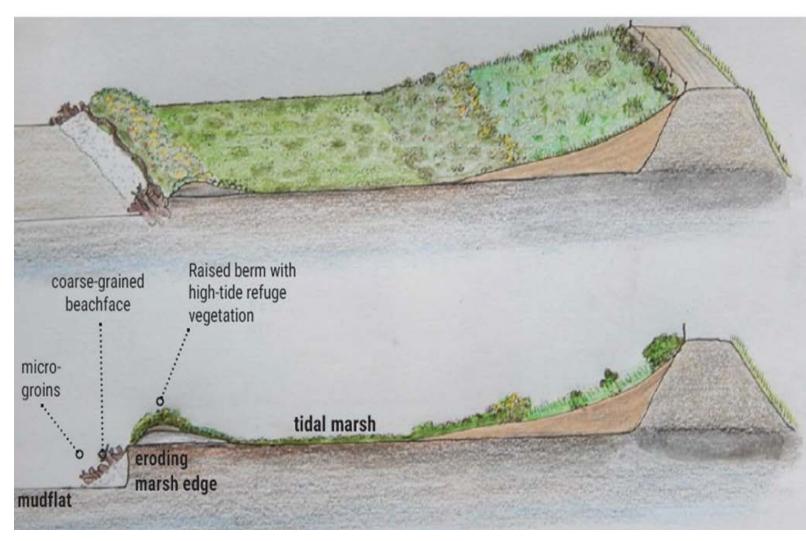

Wetland habitat quality is impacted by invasive species.

Legend

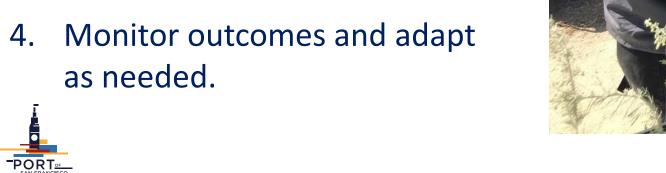

Heron's Head Park Living Shoreline Project Objectives

- 1. Protect the southern shoreline from erosion.
- 2. Restore native wetland plant habitat.
- 3. Create capacity for adaption to sea level rise.
- 4. Create youth employment and community engagement opportunities.

Heron's Head Park Living Shoreline Project Actions

- Hire local youth to grow native plants, remove invasive plants from the marsh, replace with native species.
- 2. Continue for five years.
- 3. Construct a dynamically stable coarse beach stabilized by rock and cobble groynes.

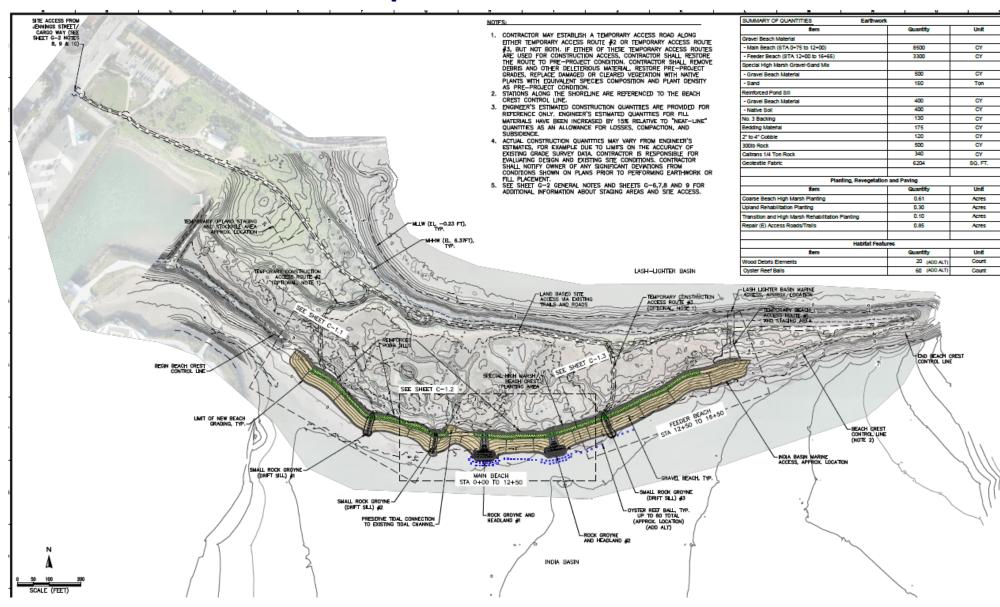

Phasing and Funding

Scope	Schedule	Cost Est.	Funding Status
Wetland revegetation, Phase 1	Fall 2020 through Fall 2022.	\$297,000	Funded by San Francisco Bay Restoration Authority.
Shoreline Construction	August 2022 through January 2023.	\$3,591,000	Funded by Prop. 68 through the Ocean Protection Council, Prop.1 through the California Department of Fish & Wildlife, and the National Wetlands Coastal Conservation Program through the California State Coastal Conservancy.
Wetland revegetation, Phase 2	After shoreline construction.	\$494,000	Recommended for SFBRA funding for 3 additional years after construction.
Post-Construction Monitoring: 5 yrs.	From completion of shoreline construction through 10 years.	\$310,000	Recommended for SFBRA funding, subject to Port Commission and Board of Supervisors approval.
Total Estimated Project Cost		\$4,285,000	

Shoreline Stabilization Construction Scope

- Deliver imported sand, gravel, cobble, rock by truck or barge.
- Install gravel beach, rock structures, and habitat features along the south shoreline of Heron's Head Park.
- Restore path
 and plantings.

Anticipated Contracting Process

February: Advertise the construction contract and host pre-bid meeting. Outreach to SF LBEs and State DBE's. Federal funding rules prohibit use of LBE or DBE preferences or subcontracting goals.

March: Open bids

April: Award contract

August: Contractor may begin staging equipment to break ground in September
