

Pre-Bid Meeting

July 23, 2024

Contract 2852

Amador Street Infrastructure Improvements

Pre-Bid Meeting Questions/Notes

1. Do subcontractors send the completed bid forms directly to the Port, or to the Prime Contractors?

For Subcontractors, all completed forms and communication is completed through the Prime Contractors who would then forward/attach the forms with their bids and/or supplemental bidding documents and submit to the Port.

Follow-up Items and Clarifications

DIR Registration:

All contractors (prime and subcontractors) must have and maintain a current DIR registration which is fiscal from July 1 to June 30th of the following year. Please ensure this registration remains current throughout the life of the project/contract.

Wage Determinations:

The following wage determinations below apply, however the Federal Davis-Bacon wage determination is based on the contract award date and will be provided during the Preconstruction Meeting.

State: 2024-1 [General prevailing wage determinations: 2024-1 journeyman determinations \(ca.gov\)](#)

Federal: CA20240018 Mod 15 (see references on Port Website <https://sfport.com/node/6760>)
