In accordance with San Francisco Administrative Code Chapter 6, Section 6.4, Contractor shall use to the maximum extent possible, recycled content materials, rather than virgin materials.

All contractors and subcontractors who bid or work on a public works project must register and pay an annual fee to the California Department of Industrial Relations ("DIR"). No contractor or subcontractor may be listed in a bid for a public works project unless registered with the DIR as required by Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the DIR pursuant to Labor Code section 1725.5.

This Project is subject to compliance monitoring and enforcement of prevailing wage requirements by the California Department of Industrial Relations and/or the San Francisco Office of Labor Standards Enforcement.

Minimum wage rates for this project must comply with the current General Prevailing Wage as determined by the State Department of Industrial Relations. Minimum wage rates other than applicable to General Prevailing Wage must comply with San Francisco Labor Code Article 111, Minimum Compensation Ordinance.

This contract utilizes federal funding, which requires that the current David-Bacon wage rates for the applicable trades for this project need to be updated as of 10 days prior to the bid date. At the time of the bid the David-Bacon wage rates in place shall remain throughout the contract. If the State of California prevailing minimum wages are higher than the David-Bacon wage rates, then the higher of the two shall be used.

Pursuant to San Francisco Administrative Code Section 6.25, "Clean Construction is required for the performance of all work unless a waiver of all or part of the requirements of that Chapter has been granted under Sections 25.5 or 25.7."

The Port reserves the right to reject any or all bids and waive any minor irregularities in any bid.

By Order of the San Francisco Port Commission,

Uday Prasad (Jul 15, 2024 13:35 PDT)

Uday Prasad, Acting Chief Harbor Engineer
Port of San Francisco
