

Contract No. 2841

Heron's Head Park Shoreline Resilience

03/01/22 Pre-Bid Questions

Question #	Question	Response
1	Is there an LBE goal for this contract?	Because of federal funding, there is no LBE goal for this project. The SBE/DBE goal = 20%.
2	Does the SBE/DBE goal need to be met by a combination of both SBE and DBE?	The SBE/DBE goal may be met solely by SBE or DBE qualified contractors.
3	What distinguishes Bid Item 4 from 14?	Bid Item 14 is meant to cover any additional expenses due to biological engineering measures in excess of Bid Item 4.
4	How much of the entire park is open to the public during construction?	Refer to the attached Exhibit A, AREA OF WORK LOCATION MAP.
5	Does the LBE discount apply to this Contract?	The CMD LBE Bid discount is not applicable to this Contract.
6	Is the Port considering any extension to the Bid date?	You may submit your request in a QBD (Question on Bid Documents), the form is located under SECTION 00 22 14.
7	Are the Oyster Reef Balls Port or Contractor provided?	The Reef Balls are located at Pier 94. The contractor will load/unload and transport to the site for deployment under Alternate Item A2.
8	Where are the Wood Habitat structures located in the Plans?	Refer to Drawing LA-2, WOOD HABITAT STRUCTURE for the details.
9	Bid Item #12 has the Unit Price column grayed out for entry.	Thank you for noting that. An addendum will be issued to correct that cell entry of the Bid Schedule.
