The Port of San Francisco (the "Port") announces an Invitation for Bids ("IFB") for construction on WRP WHARF J9 REPLACEMENT PROJECT, PHASE 1 - FLOAT & GANGWAY in San Francisco, CA. The work is to fabricate and install a 12-foot wide by 270-foot long concrete floating dock and a 4-foot wide by 80-foot long gangway with access platforms and landings. External guide piles to be installed to anchor the float, landing, and platform.

For more information, contact the Project Manager, Chris Horiuchi 415-609-5840 christopher.horiuchi@sfport.com.

Contract Estimate:	\$ 5,350,000
Time Allowed for Completion:	Substantial Completion by no later than November 1, 2024. Anticipated Notice to Proceed (NTP) to be issued March 29, 2024. (Conditional, refer to Section 00 73 02)
Liquidated Damages:	Varies, refer to Section 00 73 02 for details
Contract Basis:	Refer to Bid Schedule under Section 00 41 00
License Required:	Class "A" California Contractors License
Contract Monitoring Division Local Business Enterprise (LBE) Subcontracting Requirement:	LBE = 8%
Partnering Requirements:	Partnering Level 2 Refer to Section 01 31 33 for details.

Bid discounts may be applied as per San Francisco Administrative Code Chapter 14B. The Local Business Enterprise (LBE) subcontracting requirement is 8.00%. The LBE subcontracting requirement can only be met with CMD certified San Francisco Micro and Small-LBEs. The LBE subcontractor participation requirement for this Contract is less than 20% due to the significant cost of specialty materials representing over half of contract amount and the additional safety licensing requirement for work above water. Prime and Joint Venture level LBE participation cannot be counted towards meeting the established LBE subcontracting requirement. LBE subcontractors must be certified with CMD in the scope of work they are being listed to perform. All Bidders shall submit documented Good Faith efforts with their Bids as directed on CMD Form 2B, except those who exceed the above-stated subcontracting requirement by at least 35%. Refer to CMD Attachment 1. Failure to comply with Chapter 14B requirements may result in a Bid being deemed non-responsive and ineligible for Contract award. Please contact Melinda Kanios at (415) 274-0511 and Melinda.Kanios@sfgov.org for further information. Subcontracting opportunities may include, but not limited, to the following major types of work: concrete contractor (C-8), electrical contractor (C-10), fire protection contractor (C-16), plumbing contractor (C-36), structural steel contractor (C-51).

In addition, the Port of San Francisco seeks to promote diversity within its contracting opportunities. Thus, the Port of San Francisco strongly encourages bids from Bidders that optimize the use of S.F. Small and Micro-LBE certified subcontracting firms. The Port of San Francisco also seeks to further optimize the use of contractor teams that reflect the diversity of the City and County of San Francisco. As such, the City recommends that Bidders consider the composition of their teams in terms of gender, age, ethnicity, and race, and to utilize teams that include a diverse mix of staff at all organizational levels.

If necessary, the Port will issue bid date changes by addendum and will post current date for receiving bids on the Bids and Contracts page at the Port's website address: <https://sfport.com/construction-opportunities>.

This notice is for information only. Please refer to the bid documents for specific requirements.

Insurance Requirements: Please refer to Section 00 73 16. The winning bidder will be required to submit requisite insurance documentation within ten (10) working days after the date on which the contract is awarded.

Schedule: Contractor shall be responsible for fully understanding scheduling constraints associated with certain marine construction activities and the Port approvals and permits from applicable government agencies, including the San Francisco Bay Regional Water Quality Control Board and U.S. Army Corps of Engineers. In accordance with these requirements, in-water work is permitted only between June 15 and

November 30. In addition, Port dredging and mooring pile removal is planned to be completed by the end of June 2024. Therefore, the window of in-water work for the Phase 1 Float and Gangway project would commence on July 1, 2024. Work on land may commence June 3, 2024.

Contractor Qualifications: : The Bidders for this contract must meet the following minimum qualifications to be considered:

1. Valid contractor's license for Class "A" issued by the California Contractor's State Licensing Board with at least five (5) years of experience working on related projects,
2. Contractor shall have documented experience in performing a minimum of three (3) similar construction projects with similar work as shown in the Contract Documents over the last 5 years
3. Contractor shall have documented experience with a minimum three (3) public works projects over the last 5 years, and
4. Safety Qualification: Complete the Safety Pre-Qualification Form ([Prequalify for Construction | SFPUC](#)), and submit the required OSHA 300A forms to prequal@sfgwater.org.

Bid security in the form of a corporate surety bond or an irrevocable letter of credit (or certified check if required bid security is \$15,000 or less) for ten percent (10%) of the amount bid must accompany each bid. For information on the City's Surety Bond Program, call Jennifer Elmore at (415) 217-6578.

In accordance with San Francisco Administrative Code Chapter 6, no bid is accepted and no contract in excess of \$1,000,000 is awarded by the City and County of San Francisco until such time as (a) the Port Commission approves the contract for award and (b) the Port Executive Director or designee then issues an order of award. Pursuant to Charter Section 3.105, all contract awards are subject to certification by the Controller as to the availability of funds.

In accordance with San Francisco Administrative Code Chapter 6, Section 6.4, Contractor shall use to the maximum extent possible, recycled content materials, rather than virgin materials.

All contractors and subcontractors who bid or work on a public works project must register and pay an annual fee to the California Department of Industrial Relations ("DIR"). No contractor or subcontractor may be listed in a bid for a public works project unless registered with the DIR as required by Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the DIR pursuant to Labor Code section 1725.5.

This Project is subject to compliance monitoring and enforcement of prevailing wage requirements by the California Department of Industrial Relations and/or the San Francisco Office of Labor Standards Enforcement.

Minimum wage rates for this project must comply with the current requirements for payment of General Prevailing Wages as determined by the State Department of Industrial Relations. Minimum wage rates other than applicable General Prevailing Wages must comply with San Francisco Administrative Code, Chapter 12P, Minimum Compensation Ordinance.

Pursuant to San Francisco Administrative Code Section 6.25, "Clean Construction is required for the performance of all work unless a waiver of all or part of the requirements of that Chapter has been granted under Sections 25.5 or 25.7."

The Port reserves the right to reject any or all bids and waive any minor irregularities in any bid.

By Order of the San Francisco Port Commission,

DocuSigned by:

Uday Prasad
