Third Street Bridge Counterweight Repair and Closure Notice December 11, 2017 - January 26, 2018

Dear Third Street Bridge Neighbor,

San Francisco Public Works has contracted with **Cal State Constructors, Inc.** to perform preliminary counterweight repair work as part of the upcoming Third Street Bridge Rehabilitation Project (Contract No. 2317J).

Counterweight repair activity will begin **Monday, December 11, 2017** and continue through **Friday, January 26, 2018***. During this period, access to the bridge will be fully closed to all vehicle, bicycle and pedestrian traffic. Waterway access will be open and accessible to watercraft traffic.

We encourage you to plan ahead and take alternative routes should you need to cross Mission Creek.

Suggested alternative routes:

Pedestrians traveling southbound: Bay Trail Path > 4th St > Channel St

Pedestrians traveling northbound: Channel St > 4th St > Bay Trail Path

Bicyclists traveling southbound: Berry St > 4th St > Channel St

Bicyclists traveling northbound: Channel St > 4th St > Berry St

Vehicles traveling southbound: King St > I-280 South > 18th St

Vehicles traveling northbound: 16th St > 7th St > Brannan St

Following completion of counterweight repair work in January 2018, the next phase of rehabilitation work on the Third Street Bridge is anticipated to begin in early **spring 2018** and continue through **fall 2019**. This phase may include partial and/or intermittent bridge closures to perform rehabilitation work. Full closure of the bridge is not anticipated again until October 2019.

We thank you in advance for your patience as we complete these much needed infrastructure repairs and as we work to make San Francisco safer for all residents. We apologize in advance for any inconvenience construction activity may cause.

Impacts and Restrictions

Automobile, bicycle and pedestrian access across the bridge will be unavailable during these dates as crews perform counterweight repairs. Waterway access will remain accessible to watercraft traffic. Access to private or commercial buildings and pedestrian pathways on either side of the bridge will be maintained at all times, however, delays may be possible.

“No Parking/Tow Away” signs will be posted 72 hours in advance of work starting, stating project work hours and parking restrictions. Please observe parking and traffic signage and allow extra travel time in case of traffic delays during construction. **Vehicles parked in the construction zone during posted work hours will be towed at the vehicle owner’s expense.**

* **Please Note:** Construction schedules are subject to change due to rain or other weather delays, equipment breakdown, and/or unforeseen field conditions. Please see posted "No Parking" barricades for exact parking restrictions or visit www.sfpbpublicworks.org for the latest updates and information. Parking restrictions may vary per block.
