The Port of San Francisco (the "Port") announces an Invitation for Bids ("IFB") for construction on HERON'S HEAD PARK PATH & ELECTRICAL IMPROVEMENTS in San Francisco, CA. The scope of the project includes civil and electrical improvements at Heron's Head Park. The secondary path to the PG&E shoreline will be paved with colored asphalt, along with construction of a small retaining wall. Portions of the main park path will also be re-paved with colored asphalt. A habitat protection fence will be installed. Hydroseeding of any disturbed area will be included. Electrical upgrades will be constructed at the EcoCenter, which includes replacing the solar panels system and installing bollard path lighting from the parking lot to the EcoCenter. The bid alternate scope is to construct a stairs and ramp from the east doors of the EcoCenter down to the picnic area. The picnic area and north patio will be re-paved, and the disturbed landscape area will be hydroseeded. The bid alternate also includes upgrades to the irrigation system.

For more information, contact the Project Manager, Erica Petersen at 415-274-8119, [erica.petersen@sfport.com](mailto:erica.petersen@sfport.com).

If necessary, the Port will issue bid date changes by addendum and will post current date for receiving bids on the Bids and Contracts page at the Port's website address: <https://sfport.com/construction-opportunities>.

This notice is for information only. Please refer to the bid documents for specific requirements.

**Insurance Requirements:** Please refer to Section 00 73 16, and submit requisite insurance documentation within ten (10) working days after the date on which the contract is awarded.

**Schedule:** A biologist is required to monitor the site when work is performed within 300 ft radius of the primary tidal inundation channel during bird nesting season. Bird nesting season is January 15 through August 15. Contractor shall prioritize fence work within the 300 ft radius to occur outside of nesting season.

**Contractor Minimum Qualifications:**

1. Valid Class A contractor's license, issued by the California Contractor's State Licensing Board.
2. Contractor shall have documented experience in performing a minimum of three (3) projects with similar work as shown in the Contract Documents over the last 10 years,
3. Contractor shall have documented experience with a minimum three (3) public works projects over the last 10 years, and
4. Safety History: Has either state or federal OSHA cited and assessed penalties against the Contractor for any "serious," "willful," or "repeat" violations of its safety or health regulations in the past five (5) years and either:

a) Contractor's average gross revenue for the last three years was less than \$50 million and your firm had three (3) or more instances of "serious," "willful," or "repeat" violations; OR

b) Contractor's average gross revenue for the last three years was more than \$50 million and your firm had six (6) or more instances of "serious," "willful," or "repeat" violations?

YES    NO   **If "YES," your firm is not qualified to bid.**

Upon request by the Port, Contractor shall provide verification of annual gross revenue.

**Bid security** in the form of a corporate surety bond or an irrevocable letter of credit (or certified check if required bid security is \$15,000 or less) for ten percent (10%) of the amount bid must accompany each bid. For information on the City's Surety Bond Program, call Jennifer Elmore at (415) 217-6578.

In accordance with San Francisco Administrative Code Chapter 6, no bid is accepted and no contract in excess of \$706,000 is awarded by the City and County of San Francisco until such time as (a) the Port

Commission approves the contract for award and (b) the Port Executive Director or designee then issues an order of award. Pursuant to Charter Section 3.105, all contract awards are subject to certification by the Controller as to the availability of funds.

**In accordance with San Francisco Administrative Code Chapter 6, Section 6.4, Contractor shall use to the maximum extent possible, recycled content materials, rather than virgin materials.**

**All contractors and subcontractors who bid or work on a public works project must register and pay an annual fee to the California Department of Industrial Relations (“DIR”). No contractor or subcontractor may be listed in a bid for a public works project unless registered with the DIR as required by Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the DIR pursuant to Labor Code section 1725.5.**

**This Project is subject to compliance monitoring and enforcement of prevailing wage requirements by the California Department of Industrial Relations and/or the San Francisco Office of Labor Standards Enforcement.**

**Minimum wage rates** for this project must comply with the current requirements for payment of General Prevailing Wages as determined by the State Department of Industrial Relations. Minimum wage rates other than applicable General Prevailing Wages must comply with San Francisco Administrative Code, Chapter 12P, Minimum Compensation Ordinance.

Pursuant to San Francisco Administrative Code Section 6.25, “Clean Construction is required for the performance of all work unless a waiver of all or part of the requirements of that Chapter has been granted under Sections 25.5 or 25.7.”

This Contract is subject to the requirements of Administrative Code Chapter 12X, which prohibits the City from entering into any Contract with a Contractor that has its United States headquarters in a state (“Covered State”) with laws that perpetuate discrimination against LGBT populations or where any or all of the work on the contract will be performed in any of those states. A list of states on the Covered State List can be found at: <https://oag.ca.gov/ab1887>

The Port seeks to promote diversity within its contracting opportunities. We desire to engage contracting teams that reflect the diversity of our City and include participation of both businesses and residents from the City’s most disadvantaged communities including, but not limited to, the neighborhoods in the 94107, 94124, and 94134 postal zip codes. As such, the City recommends that Proposers consider the composition of their teams in terms of gender, age, ethnicity, and race, and to utilize teams that include a diverse mix of staff at all organizational levels.

The Port reserves the right to reject any or all bids and waive any minor irregularities in any bid.

By Order of the San Francisco Port Commission
