

Embarcadero Tennis Center at Pier 29

Port of San Francisco Embarcadero Historic District Piers Request for Interest

In this Request for Interest (RFI), the Port is seeking responses with public-oriented concepts for sites in the Embarcadero Historic District in two categories: (1) Full building(s) or "Master Tenant" Responses or (2) Less than full building or "Smaller Tenant" Responses.

Respondents in the Master Tenant category have a vision for entire buildings, including one or more structures named in this RFI. Master Tenant respondents have the experience to execute a complex rehabilitation project for an historic structure over water and to operate such a facility under a long-term lease.

Respondents in the Smaller Tenant category are experienced in operating the proposed use and in managing a tenant improvement construction project. Respondents should assume the facility will be in a cold shell condition in their response. Respondents who feel they qualify for both categories (a Master Tenant candidate that also operates a public-oriented use) are invited to respond to all information below.

All answers are non-binding and will help the Port generate a better understanding of the possibilities for the future of the Embarcadero Historic District piers. View the RFI: <http://bit.ly/sfport-piers-rfi>. Learn more: <https://sfport.com/historic-pier-opportunities-partnership>. Email questions to Rebecca Benassini, Port Assistant Deputy Director Waterfront Development Projects, at historicpiers@sfport.com.

Please start by providing your email address and then proceeding to the next section. If at any point, you would like to save your responses and quit the form, click "NEXT" in each section and click "SUBMIT" in the final section. You will be emailed a link to your form. Responses can be edited until Wednesday, October 31, 2018 at 5:00 p.m., PDT. The Port of San Francisco will not consider responses until after the RFI closes.

Email address *

1. Indicate whether this response is for the Master or Smaller Tenant Category or both.

Master Tenant

Smaller Tenant

2. Name of responding entity

Alexandria Real Estate Equities Inc. and Bay Club

3. List the names of key personnel, describe their roles, and detail their relevant experience in the space provided.

Terezia Nemeth, ARE - Development Manager; Matthew Stevens, Bay Club - Operator

4. Describe proposed use(s) of the Port's Historic Piers. Include (a) a description of the use, (b) how the use is public-oriented, (c) types of populations targeted for service, and (d) how it complements and responds to existing nearby uses and conditions in the Embarcadero Historic District.

(a) A world class recreation facility with indoor tennis and fitness uses; (b) the facility will serve a broad range of San Franciscans either thru a membership model or in a fee for daily use; (c) populations would include current and future tennis players in SF, as well as youth learning opportunities most importantly disadvantaged youth; (d) recreation uses are consistent with the Port's vision for the Embarcadero Historic District. Bay Club operates its headquarters at One Lombard which is across the street from Pier 29 - at that existing facility, there is sufficient parking and other amenities to support and enhance the experience of this potential recreation use.

5. Provide a summary of your experience related to the operation described in (4).

ARE is a world class developer of commercial space and Bay Club is a world class operator of recreation facilities, with significant experience in San Francisco.

6. Provide information about your preferred location. Information on the sites included the RFI can be found at <http://bit.ly/sfport-piers-rfi-facilities> and <https://sfport.com/historic-pier-opportunities-partnership>.

In questions 6. a. - 6. d. describe the site(s) of interest.

6. a. Rank your preferred pier facility location(s) with 1 as your first choice.

	1	2	3	4	5	6	7	8	9	10	11
Pier 35	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. b. Using the image below, select your preferred area(s) of the pier facility. If the Agriculture Building is your preferred location, proceed to 6. c.

- A. Embarcadero Frontage: Access to The Embarcadero and associated foot, bicycle, and automobile traffic; lots of natural light; architecturally beautiful exterior; often two stories.
- B. Interior Shed: Spacious, open area that can be outfitted to suit your needs; minimal natural light; high ceilings; single story.
- C. Exterior Shed/Access to Aprons: Beautiful, open water views; immediate bay access; immediate truck delivery access.
- C. & D. Exterior Shed/Access to Aprons and Submerged Land/Basin Area
- A.-D. Master Tenant Whole Pier
- Other:

Layout of Pier Facility

6. c. Describe the areas and the portions of the site(s) you propose to occupy.

In Area A - we envision entrance, café, Pro Shop, Locker rooms and physical therapy rooms to serve the Club. In Area B - we envision providing 12 indoor tennis courts. In Area C - we could partner with the Port and other providers to allow for water based recreation opportunities to a broad range of interested folks. We also envision creating a publicly accessible outdoor courtyard at the very end of the Shed structure that would be shielded from the wind, provide magnificent views of the Bay, and an opportunity for the public to rest and enjoy the waterfront as a reward for the long walk from the Embarcadero. Area D - we do not envision using other than coordinating with the Port and other providers that may provide water based recreation opportunities.

6. d. Check all aspects of your preferred site(s) that influence your pier selection

- Location on The Embarcadero
 - Proximity to pedestrian traffic
 - Proximity to the Ferry Building
 - Proximity to AT&T Park
 - Proximity to the Cruise Terminal
 - Proximity to tourist attractions
 - Access to public transportation - MUNI
 - Access to public transportation - BART
 - Access to public transportation - Ferry
 - Facility width
 - Facility height
 - Facility ingress/egress
 - Facility apron access
 - Facility square footage
 - Facility architecture
 - Berthing space
 - Access to water
 - Other: Proximity to One Lombard - existing Bay Club headquarters.

Master Tenant Respondents

Respondents in the Master Tenant category of responses provide the following information via this online form. All answers are non-binding. Click "NEXT" at the end of this section.

Smaller Tenant Respondents should skip this section by clicking "NEXT" below.

View the RFI: <http://bit.ly/sfport-piers-rfi>. Learn more: <https://sfport.com/historic-pier-opportunities-partnership>. Email questions to Rebecca Benassini, Port Assistant Deputy Director Waterfront Development Projects, at historicpiers@sfport.com.

To save your responses and quit the form, click "NEXT" in each section and click "SUBMIT" in the final section. You will be emailed a link to your form. Responses can be edited until 10/31/18 at 5:00 p.m.

7. Describe in paragraph form the operational concept including public-oriented use mix, such as: Where in the facility would different uses be located? Approximately how much space would be dedicated to different use-types (e.g., publicly-oriented uses, higher-revenue generating uses)? How would the public experience the facility, including public access to the building perimeter, views of and access to the Bay, maximizing access to and enjoyment of the historic elements of the building interiors, and minimizing the private feel of non-public uses?

In the attached drawings is the concept of how we could provide a mix of uses that integrates public access with revenue generation. Bay Club has a long history of operating recreation facilities in San Francisco, as well as a commitment to enhancing public benefit. We envision that the entire perimeter of the facility would be for public access and enjoyment of the waterfront. We envision that there would be potential access for water recreation providers that we could partner with our facility. We envision using the Pier Shed to host 12 indoor tennis courts and the Embarcadero Area A to provide the changing rooms, locker rooms, bathrooms and support services as well as a Café, a Pro Shop and view decks into the tennis facility.

8. Describe in paragraph form the physical improvements concepts. Please keep in mind that enhancements and alterations to the structures must be consistent with Secretary of the Interior Standards for Historic Rehabilitation.

We envision that the facility would be improved to support the uses conceived while maintaining its architectural integrity. The Shed structure would be preserved except for structural alterations to the truss design at every fifth truss to provide sufficient height at the centerline of each tennis court.

9. Describe in paragraph form how you would access sufficient capital to complete an undertaking like the rehabilitation of a full pier structure or structures.

Alexandria Real Estate Equities Inc. is an S&P500, bond rated public company. Bay Club Company is the leading California active lifestyle and hospitality company.

Smaller Tenant Respondents

Respondents in the Smaller Tenant category of response provide the following information via this online form. All answers are non-binding. Click "NEXT" at the end of this section.

Master Tenant Respondents should skip this section by clicking "NEXT" below.

View the RFI: <http://bit.ly/sfport-piers-rfi>. Learn more: <https://sfport.com/historic-pier-opportunities-partnership>. Email questions to Rebecca Benassini, Port Assistant Deputy Director Waterfront Development Projects, at historicpiers@sfport.com.

To save your responses and quit the form, click "NEXT" and click "SUBMIT" in the final section. You will be emailed a link to your form. Responses can be edited until 10/31/18 at 5:00 p.m.

7. Provide a range of rental rates in dollars per leasable square foot per month for a triple net lease that the proposed operation can pay.

To be determined at an RFP stage. Until we have a clear understanding of the space available, the allowable uses, and the cost of improvements, it would be premature to make an offer.

8. a. Would you be willing to make capital improvements to your preferred pier facility that would last beyond your lease term?

Depends on the deal

No

Other:

8. b. Provide an approximate amount of tenant improvement funding you can advance to prepare space for your operation.

TBD

9. Provide a range of number of years of lease term you would anticipate requiring to amortize the tenant improvement investment in (8).

TBD with an expectation that its in the range of 10 to 12 years at a minimum.

Additional Information

Both Master and Smaller Tenant Respondents, click "SUBMIT" below to complete the Port of San Francisco Embarcadero Historic District Piers Request for Interest. If you have any additional information you would like to submit with your RFI response, please email these items to historicpiers@sfport.com with "Historic Piers Additional RFI Information" in the subject line.

You will be emailed a link to your form and you will be able to make changes to your responses until the RFI closes on Wednesday, October 31, 2018 at 5:00 p.m., PDT. The Port of San Francisco will not consider responses until after the RFI closes.

All answers are non-binding and will help the Port generate a better understanding of the possibilities for the future of the Embarcadero Historic District piers.
