Port of San Francisco Embarcadero Historic District Piers Request for Interest

In this Request for Interest (RFI), the Port is seeking responses with public-oriented concepts for sites in the Embarcadero Historic District in two categories: (1) Full building(s) or "Master Tenant" Responses or (2) Less than full building or "Smaller Tenant" Responses.

Respondents in the Master Tenant category have a vision for entire buildings, including one or more structures named in this RFI. Master Tenant respondents have the experience to execute a complex rehabilitation project for an historic structure over water and to operate such a facility under a long-term lease.

Respondents in the Smaller Tenant category are experienced in operating the proposed use and in managing a tenant improvement construction project. Respondents should assume the facility will be in a cold shell condition in their response. Respondents who feel they qualify for both categories (a Master Tenant candidate that also operates a public-oriented use) are invited to respond to all information below.

All answers are non-binding and will help the Port generate a better understanding of the possibilities for the future of the Embarcadero Historic District piers. View the RFI: <http://bit.ly/sfport-piers-rfi>. Learn more: <https://sfport.com/historic-pier-opportunities-partnership>. Email questions to Rebecca Benassini, Port Assistant Deputy Director Waterfront Development Projects, at historicpiers@sfport.com.

Please start by providing your email address and then proceeding to the next section. If at any point, you would like to save your responses and quit the form, click "NEXT" in each section and click "SUBMIT" in the final section. You will be emailed a link to your form. Responses can be edited until Wednesday, October 31, 2018 at 5:00 p.m., PDT. The Port of San Francisco will not consider responses until after the RFI closes.
