

Gateway to the San Francisco Dream

Port of San Francisco Embarcadero Historic District Piers Request for Interest

In this Request for Interest (RFI), the Port is seeking responses with public-oriented concepts for sites in the Embarcadero Historic District in two categories: (1) Full building(s) or "Master Tenant" Responses or (2) Less than full building or "Smaller Tenant" Responses.

Respondents in the Master Tenant category have a vision for entire buildings, including one or more structures named in this RFI. Master Tenant respondents have the experience to execute a complex rehabilitation project for an historic structure over water and to operate such a facility under a long-term lease.

Respondents in the Smaller Tenant category are experienced in operating the proposed use and in managing a tenant improvement construction project. Respondents should assume the facility will be in a cold shell condition in their response. Respondents who feel they qualify for both categories (a Master Tenant candidate that also operates a public-oriented use) are invited to respond to all information below.

All answers are non-binding and will help the Port generate a better understanding of the possibilities for the future of the Embarcadero Historic District piers. View the RFI: <http://bit.ly/sfport-piers-rfi>. Learn more: <https://sfport.com/historic-pier-opportunities-partnership>. Email questions to Rebecca Benassini, Port Assistant Deputy Director Waterfront Development Projects, at historicpiers@sfport.com.

Please start by providing your email address and then proceeding to the next section. If at any point, you would like to save your responses and quit the form, click "NEXT" in each section and click "SUBMIT" in the final section. You will be emailed a link to your form. Responses can be edited until Wednesday, October 31, 2018 at 5:00 p.m., PDT. The Port of San Francisco will not consider responses until after the RFI closes.

Email address *

All Respondents

All respondents should provide the following information via this online form. Click "NEXT" at the end of this section.

All answers are non-binding and will help the Port generate a better understanding of the possibilities for the future of the Embarcadero Historic District piers. View the RFI: <http://bit.ly/sfport-piers-rfi>. Learn more: <https://sfport.com/historic-pier-opportunities-partnership>. To save your responses and quit the form, click "NEXT" in each section and click "SUBMIT" in the final section. You will be emailed a link to your form. Responses can be edited until 10/31/18 at 5:00 p.m.

1. Indicate whether this response is for the Master or Smaller Tenant Category or both.

Master Tenant

Smaller Tenant

2. Name of responding entity

Pop Up Family Fun & Spark Social & Partners

3. List the names of key personnel, describe their roles, and detail their relevant experience in the space provided.

Esther Stearns CEO-Pop Up Family Fun, Carlos Muela CEO of Spark Social

4. Describe proposed use(s) of the Port's Historic Piers. Include (a) a description of the use, (b) how the use is public-oriented, (c) types of populations targeted for service, and (d) how it complements and responds to existing nearby uses and conditions in the Embarcadero Historic District.

a)

Pop Up Family Fun and Spark Social will partner to create The SF-Global Exchange. The Exchange will celebrate the many different cultures that have shaped San Francisco and the immigrants who have shared them. At the heart of The Exchange is a multi-cultural, food truck court, a game changing 18 hole miniature golf and game course, a public art space and an incubation space to help new truck owners emerge. Through food, art and active play San Franciscans and visitors will deepen their appreciation of the diverse groups that have made this city so special.

Building on concepts we have developed together in our current SF installation, Pop Up Family Fun and Spark Social will go beyond themes and images and tell deep stories about the human exchange that is at the heart of immigration.

Leveraging the experience of Spark Social in the food truck arena, we will create an incubation program to help new entrants launch food trucks.

b)

The Exchange is public-oriented in that it will provide an appealing, ever-changing food and drink service in a context that honors the diversity of the community. The art and game-play aspects of the project will draw on these same themes and together with the food, highlight San Francisco values such as acceptance, appreciation of diversity and fun.

c)

Young San Franciscans love art and game-play and will be drawn to the diversity of the food trucks. Families will come to play miniature golf and be drawn into the larger story and older SF residents will see themselves and the past in what we have created.

d)

The Exchange will be a huge addition to the current Waterfront. It will be a place that makes people remember and experience what is unique about San Francisco. It will be a place for emerging artists and chefs. It will be a place where the community can celebrate our rich history and our emerging art.

5. Provide a summary of your experience related to the operation described in (4).

Pop Up Family Fun is the operator of a family entertainment facility in Parklab Gardens in Mission Bay. Our 18 hole miniature golf course has delighted thousands of golfers and was described in local media as a “love letter to San Francisco.” The course is deeply rooted in SF history and was the work of over 150 local artists.

Carlos Muela and his team brought food truck courts into the culture of San Francisco, with SOMA Streatfood, Spark Social and Parklab Gardens. They are experts in the food truck industry and have helped countless emerging chefs and operators develop successful businesses.

Spark Social and Pop Up Family Fun are currently partnered at Parklab Gardens and operate the Food Truck court, bars and Stagecoach Greens miniature golf. Phase 2 will add other games.

To execute the public art element of this proposal we will bring on board a suitable partner from our extensive network of local artists.

6. Provide information about your preferred location. Information on the sites included the RFI can be found at <http://bit.ly/sfport-piers-rfi-facilities> and <https://sfport.com/historic-pier-opportunities-partnership>.

In questions 6. a. - 6. d. describe the site(s) of interest.

6. a. Rank your preferred pier facility location(s) with 1 as your first choice.

| | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 |
|----------------------|----------------------------------|----------------------------------|----------------------------------|----------------------------------|----------------------------------|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Pier 35 | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

6. b. Using the image below, select your preferred area(s) of the pier facility. If the Agriculture Building is your preferred location, proceed to 6. c.

- A. Embarcadero Frontage: Access to The Embarcadero and associated foot, bicycle, and automobile traffic; lots of natural light; architecturally beautiful exterior; often two stories.
- B. Interior Shed: Spacious, open area that can be outfitted to suit your needs; minimal natural light; high ceilings; single story.
- C. Exterior Shed/Access to Aprons: Beautiful, open water views; immediate bay access; immediate truck delivery access.
- C. & D. Exterior Shed/Access to Aprons and Submerged Land/Basin Area
- A.-D. Master Tenant Whole Pier
- Other:

Layout of Pier Facility

6. c. Describe the areas and the portions of the site(s) you propose to occupy.

We envision trucks and the golf/game areas in high ceilinged parts of the building with adjacent seating inside and out. We estimate that we need approximately 40,000 square feet to implement The Exchange.

.....

6. d. Check all aspects of your preferred site(s) that influence your pier selection

- Location on The Embarcadero
 - Proximity to pedestrian traffic
 - Proximity to the Ferry Building
 - Proximity to AT&T Park
 - Proximity to the Cruise Terminal
 - Proximity to tourist attractions
 - Access to public transportation - MUNI
 - Access to public transportation - BART
 - Access to public transportation - Ferry
 - Facility width
 - Facility height
 - Facility ingress/egress
 - Facility apron access
 - Facility square footage
 - Facility architecture
 - Berthing space
 - Access to water
 - Other:
-

Master Tenant Respondents

Respondents in the Master Tenant category of responses provide the following information via this online form. All answers are non-binding. Click "NEXT" at the end of this section.

Smaller Tenant Respondents should skip this section by clicking "NEXT" below.

View the RFI: <http://bit.ly/sfport-piers-rfi>. Learn more: <https://sfport.com/historic-pier-opportunities-partnership>. Email questions to Rebecca Benassini, Port Assistant Deputy Director Waterfront Development Projects, at historicpiers@sfport.com.

To save your responses and quit the form, click "NEXT" in each section and click "SUBMIT" in the final section. You will be emailed a link to your form. Responses can be edited until 10/31/18 at 5:00 p.m.

7. Describe in paragraph form the operational concept including public-oriented use mix, such as: Where in the facility would different uses be located? Approximately how much space would be dedicated to different use-types (e.g., publicly-oriented uses, higher-revenue generating uses)? How would the public experience the facility, including public access to the building perimeter, views of and access to the Bay, maximizing access to and enjoyment of the historic elements of the building interiors, and minimizing the private feel of non-public uses?

8. Describe in paragraph form the physical improvements concepts. Please keep in mind that enhancements and alterations to the structures must be consistent with Secretary of the Interior Standards for Historic Rehabilitation.

NA

9. Describe in paragraph form how you would access sufficient capital to complete an undertaking like the rehabilitation of a full pier structure or structures.

Smaller Tenant Respondents

Respondents in the Smaller Tenant category of response provide the following information via this online form. All answers are non-binding. Click "NEXT" at the end of this section.

Master Tenant Respondents should skip this section by clicking "NEXT" below.

View the RFI: <http://bit.ly/sfport-piers-rfi>. Learn more: <https://sfport.com/historic-pier-opportunities-partnership>. Email questions to Rebecca Benassini, Port Assistant Deputy Director Waterfront Development Projects, at historicpiers@sfport.com.

To save your responses and quit the form, click "NEXT" and click "SUBMIT" in the final section. You will be emailed a link to your form. Responses can be edited until 10/31/18 at 5:00 p.m.

7. Provide a range of rental rates in dollars per leasable square foot per month for a triple net lease that the proposed operation can pay.

\$.75-2.00

8. a. Would you be willing to make capital improvements to your preferred pier facility that would last beyond your lease term?

Depends on the deal

No

Other:

8. b. Provide an approximate amount of tenant improvement funding you can advance to prepare space for your operation.

Preparation of the space for the food service is not that complex, we will build the game facilities and seating areas. The cost of doing this will be worked out as part of the project. Both Pop Up Family Fun and Spark Social are well funded established companies with the ability to build out the facilities we need.

9. Provide a range of number of years of lease term you would anticipate requiring to amortize the tenant improvement investment in (8).

5-10 Years

Additional Information

Both Master and Smaller Tenant Respondents, click "SUBMIT" below to complete the Port of San Francisco Embarcadero Historic District Piers Request for Interest. If you have any additional information you would like to submit with your RFI response, please email these items to historicpiers@sfport.com with "Historic Piers Additional RFI Information" in the subject line.

You will be emailed a link to your form and you will be able to make changes to your responses until the RFI closes on Wednesday, October 31, 2018 at 5:00 p.m., PDT. The Port of San Francisco will not consider responses until after the RFI closes.

All answers are non-binding and will help the Port generate a better understanding of the possibilities for the future of the Embarcadero Historic District piers.
